

## Sexual Assault Survivors in the Military

There is no one "normal" reaction to sexual assault. It can impact you psychologically, emotionally, and physically. These effects can be brief in duration or can last a long time. It can take time to learn how to manage these effects, but with the right support it can happen.

DoD Safe Helpline offers one-on-one, anonymous support to the DoD community, 24 hours a day, 7 days a week, to help you through the healing process. Safe Helpline staff are specially-trained professionals who can provide help via online chat or telephone. Information and referrals are also available at [safehelpline.org](http://safehelpline.org) or by text message.

You can also create a personalized self-care plan with the Safe Helpline app. Download it for free from the iOS and Android app store.

Safe Helpline supports all members of the DoD community, and you can access it from anywhere in the world. All Safe Helpline services are confidential and secure, and the information you provide is not shared with anyone in the military.
