**What three words would you use to describe FMWR?**

Respect, Privilege, Excellent

**What's the best part of your job?**

Work with all my kitchen and bar colleagues, and at the same time being able to get a smile out of the people I serve.

**What makes this meal special to you?**

This meal was the favorite that my aunt prepared for me when I stayed with her. It also calmed me down and made me stop playing around the house with my cousin.
